(October 04, 2013)

8 events, 3 days. 17 chefs. Identità Golose is back with six of Italy's most notable chefs and New York City's most celebrated culinary personalities

The acclaimed International Chef's Forum, Identità Golose, returns to Eataly New York for its 4th U.S. edition. Identità Golose brings together six of Italy's most notable chefs and New York City's most celebrated culinary personalities in a three-day workshop -

"More than just a culinary showcase, IDENTITÀ is an educational event which honors modern day chefs and explores the processes in which they reinvent traditional recipes and classic techniques every day in their places of work. This collaboration fits organically within the culture of Eataly, which is focused on exploration, learning, and discovery." says Oscar Farinetti, Founder of Eataly.

The mission at IDENTITÀ GOLOSE is to share with the world Italy's rich regional cuisines as it is interpreted in a contemporary context by these great Italian Chefs, who also add their own thoughts and unique experiences.
