Luciano Pignataro (January 26, 2018)

Learn how to make your own Bucatini Frittata. Leftovers are a very important part of making a frittata. For example, a plate of pasta from the day before can become an even better meal for the next day

Let's start with a basic version of bucatini: Fried garlic, tomato, maybe a basil leaf, and bucatini cooked al dente.

And now the [frittata](#) [2]!

Ingredients for 4 people

- 400 g of [bucatini](#) [3]
- 1/2 can of peeled tomatoes
- 150 g of fior di latte cheese
- 100g of salami
- Parmesan cheese
- Extra virgin olive oil
- 4 eggs
- Garlic
- Salt and pepper

Preparation

- In a skillet, add the beaten eggs, the fior di latte, and the chopped salami with a pinch of salt and pepper and a sprinkling of parmesan cheese.
- Add the bucatini to the mixture
- Stir carefully and then fry in a pan with olive oil until it is golden on both sides.
- Eat it hot or cold.
