Chopped fresh basil or parsley, for garnish

Boil the pasta in generously salted boiling water for 8 minutes or until al dente. Drain the pasta, reserving some of the pasta water.

Meanwhile, in a stainless steel bowl, mix the artichoke spread with olive oil, lemon juice, crushed chili, and salt. Toss in the peppers, arugula, tomatoes, and cheese.

Add the pasta to the sauce. Toss and stir, thinning with pasta water as needed.

Garnish with basil or parsley, and enjoy!
