

The Path of Padre Pio

(September 18, 2012)

An exhibit celebrating the life and legacy of Saint Padre Pio opened at The Westchester Italian Cultural Center on Thursday, September 13, 2012. It remains on display until Thursday, November 15, 2012. Multiple cultural events are programmed around it.

Padre Pio is an Italian Saint well known all over the world. Born Francesco Forgione, on May 25, 1887 in [Pietrelcina](#) [2], Italy, a small country town located in southern Italy. Padre Pio, a humble Capuchin priest from [San Giovanni Rotondo](#) [3], Italy, was blessed by God in many wonderful and mysterious ways. He possessed the gifts of fragrance, conversion, bi-location, levitation, reading hearts, foreseeing the future and miracles of all kinds. From 1912 he also received the dramatic gift of the [stigmata](#) [4]. Christ's sacred wounds were imprinted on his hands, feet and side. The wounds remained completely free from healing or any infection for 50 years. They remained with him until shortly before death.

The exhibition pays homage to the Saint, on the 125th anniversary of his birth and the 10th anniversary of his canonization. [Elia Stelluto](#) [5] presents the life of Padre Pio through his photographs. As a young boy, Stelluto served as an altar boy and then became Padre Pio's personal photographer. His photographs immortalized the various moments of Padre Pio's daily life, from interactions with his spiritual children to private moments of joy and happiness. Stelluto was particularly able to capture his unique expression during the afternoon liturgies and the Eucharistic celebrations. The collection includes over 100 photographs never before seen in the United States.

In addition to Stelluto's photos, there will be a display of Padre Pio relics, treasured by people all over the world. The exhibit will be complemented by a series of programs including spiritual lectures, readings and screenings presented by people truly dedicated to spreading Padre Pio's message.

Keep in mind that registration is required for all programs.

Saturday, September 29, 2012 at 2:00pm, [Mario Bruschi](#) [6] will share his personal experience with Padre Pio. He was just twenty-three when he had his confession with Padre Pio in 1957. Since then, Mario has personally started twenty-five Padre Pio prayer groups. He is responsible for starting Padre Pio prayer groups in Sri Lanka and was also influential in the construction of the St. Padre Pio Shrine Church in Athurugiriya. Mario has also given Padre Pio presentations at the federal prison in Otisville, New York, showing the documentary film on Padre Pio in both English and Spanish. He regularly visits Catholic schools, sharing the story of Padre Pio with children in elementary school and junior high school. Mario continues to lead the all night prayer vigils on the first Friday of each month at Our Lady of Peace parish in New York City. Join us as he speaks about his personal encounter with Padre Pio and how the Saint has been influential in saving the lives of people all over the world.

Mario's presentation will include a display of the [glove of Padre Pio](#) [7]. This rarely seen relic was worn by the Saint himself throughout his life and will be available for our members and friends to view during Mario's presentation only.
