

Malvasia Contest. "Islanders yes, Isolated no."

L. A. (August 14, 2014)

Would you like to show the world what island life is? Now you can do it through a short film (maximum three minutes)... If you were born or reside on one of the small Italian islands, get your camera (or iPhone) out! Create your own video on the theme "Islanders yes, isolated no."

The [SalinaDocFest](#) [2] is a competition for filmmakers and on their experience as islanders.

Open to all inhabitants of the small Italian islands, the competition involves the realization of a short video (maximum of 3 minutes) capable of synthesizing the concept "**Islanders yes, isolated no**" as well as expressing their thoughts on the theme.

The SalinaDocFest, an international festival of documentary narrative, in collaboration with [Tasca d'Almerita](#) [3] alongside SalinaDocFest and [Mosaicoon](#) [4] (agency specializing in communication campaigns on the Web, national award for innovation in 2013 and best Italian start-up in 2012), launched the first "[Malvasia contest.](#)" [5] The contest prize is a Camera "[GoPro Hero 3 +](#)" [6] for first place and the screening of the film finalists (voted on by a jury of exception) during a special evening of the festival, which will take place at the [Hotel Capofaro Malvasia & Resort](#) [7], on the island of Salina.

Read the complete entry rules here [>>>](#) [8] and participate!

Tell us about your way of living the islander life! Show the world what island life is! But hurry: to participate, you can enter the contest only till **August 30, 2014**.
