Best Friends Animal Society is the only national animal welfare organization focused exclusively on ending the killing of dogs and cats in America's shelters. A leader in the no-kill movement, Best Friends runs the nation's largest no-kill sanctuary for companion animals, as well as lifesaving programs in partnership with rescue groups and shelters across the country. Since its founding in 1984, Best Friends has helped reduce the number of animals killed in American shelters from 17 million per year to about 4 million. By continuing to build effective initiatives that reduce the number of animals entering shelters and increase the number who find homes, Best Friends and its nationwide network of members and partners are working to Save Them All®.
