

i-ITALY RADIO. Launching Our New Project

Francesco Foderà (June 04, 2017)

After the news website, the free-press magazine, and the weekly TV show on NYC Life, a brand new Radio project joins our information and entertainment network.

```
(function (win, doc, script, source, objectName) { (win.RadionomyPlayerObject = win.RadionomyPlayerObject || []).push(objectName); win[objectName] = win[objectName] || function (k, v) { (win[objectName].parameters = win[objectName].parameters || { src: source, version: '1.1' })[k] = v; }; var js, rjs = doc.getElementsByTagName(script)[0]; js = doc.createElement(script); js.async = 1; js.src = source; rjs.parentNode.insertBefore(js, rjs); }(window, document, 'script', 'https://www.radionomy.com/js/radionomy.player.js', 'radplayer')); radplayer('url', 'i-italyradio'); radplayer('type', 'mobile'); radplayer('autoplay', '1'); radplayer('volume', '10'); radplayer('color1', '#000000'); radplayer('color2', '#111111');
