

A Heartfelt Tribute to NIAF Chair Gabe Battista

We are deeply affected by the passing of Gabriel A. Battista, NIAF Chair who left us on Monday, January 27. The i-Italy team is very saddened by his loss. To remember him and all that we learned from him, we decided to republish an interview conducted by Prof. Ottorino Cappelli in 2017, as part of the "Italian Leadership in America" project, a series co-produced by i-Italy and NIAF. Our deepest condolences to his family and the entire NIAF family.
